

At A-Life Home Health Care, we understand the demands and pressure placed on adult children, or parents taking care of a child or children with special needs. We recognize how important it is to know that your loved ones are being cared for like family and to feel confident that they are receiving appropriate care regardless of how close or far away you live from them.

 **YOUR FIRST STEP**
 We realize you and your loved ones may feel anxious or reluctant about getting assistance, but understanding your options will help you make an informed decision to maintain your independence. Please contact our office to set up your FREE in-home evaluation to learn more about how we can help you.

Why Choose Us

We understand there is no place like home, that is why we are committed to supporting the decision for the elderly and intellectual or developmentally disabled individuals to remain in their homes where they can maintain a healthy sense of independence and personal dignity.
